

What's New to CEI

Job Corp – assisting students overcome barriers to education or employment

Friday only classes available for Early College students

New part time RN programs &
Spring start Trades programs
Accepting more students each year

To streamline general education transfer we joined

Admissions and Scholarship updates

- CEI Admissions does not require SAT/ ACT placement for acceptance
- Only about 6 CTE programs still need placement testing for acceptance
- Placement testing can be offered through the CEI Testing Center virtual if needed
- No CEI scholarships require any type of testing.
All merit scholarships are based on GPA.

Look for our digital marketing material, program information, and upcoming events that will be mailed to you on a CEI Jump drive

CEI Connect

- Virtual workshop sessions targeted to help students through the admissions, acceptance, and financial aid process.
- Open zoom event for students and parents to attend with breakout room for privacy
- Registration is available on the CEI website through the Apply Now button
